Shubham Shubham

Week 1: I brainstormed project ideas with the team and helped draft the first sections of the proposal.

Week 2: I finalized the proposal sections, prepared the submission, and checked for errors.

Week 3: After the proposal was rejected, I discussed feedback, brainstormed revisions, and suggested ideas for a new proposal.

Week 4: I incorporated suggestions into the new proposal and prepared it for submission.

Week 5: We met with the professor, chose the final proposal, worked on it, and finalized it with updated logs.
